FOREWORD

Our world, at Potomac State College, is a small world of education within the larger world, and this 1961 edition of the Catamount attempts within the pages of this book to portray our smaller world by representing the people, the activities, and the classes that make up our campus. These pages represent a treasure of memories for now and the years to come. We hope as our students strive to make the world more meaningful, they will from time to time look within the pages of this book and remember--with pride--the experiences and achievements at Potomac State College that enabled them to strive for and reach higher goals.

WE HONOR

To Gertrude South Stanhagen, secretary in the office of the President of Potomac State College, the staff affectionately dedicates the 1961 Catamount.

For 26 years Mrs. Stanhagen has served the college well as secretary first to President J. W. Stayman, 1935-1936, and then to President E. E. Church, since 1936. She has the distinction of being one of two employees with the longest service records at this institution.

Hers has been the pleasant voice which has greeted literally thousands of students, parents, and the many others who have telephoned the president's office through the years; hers the handiwork of setting in type the volumes of letters originating in that office in over a quarter of a century; hers the countenance which has met the gaze of those seeking audience with the chief executive.

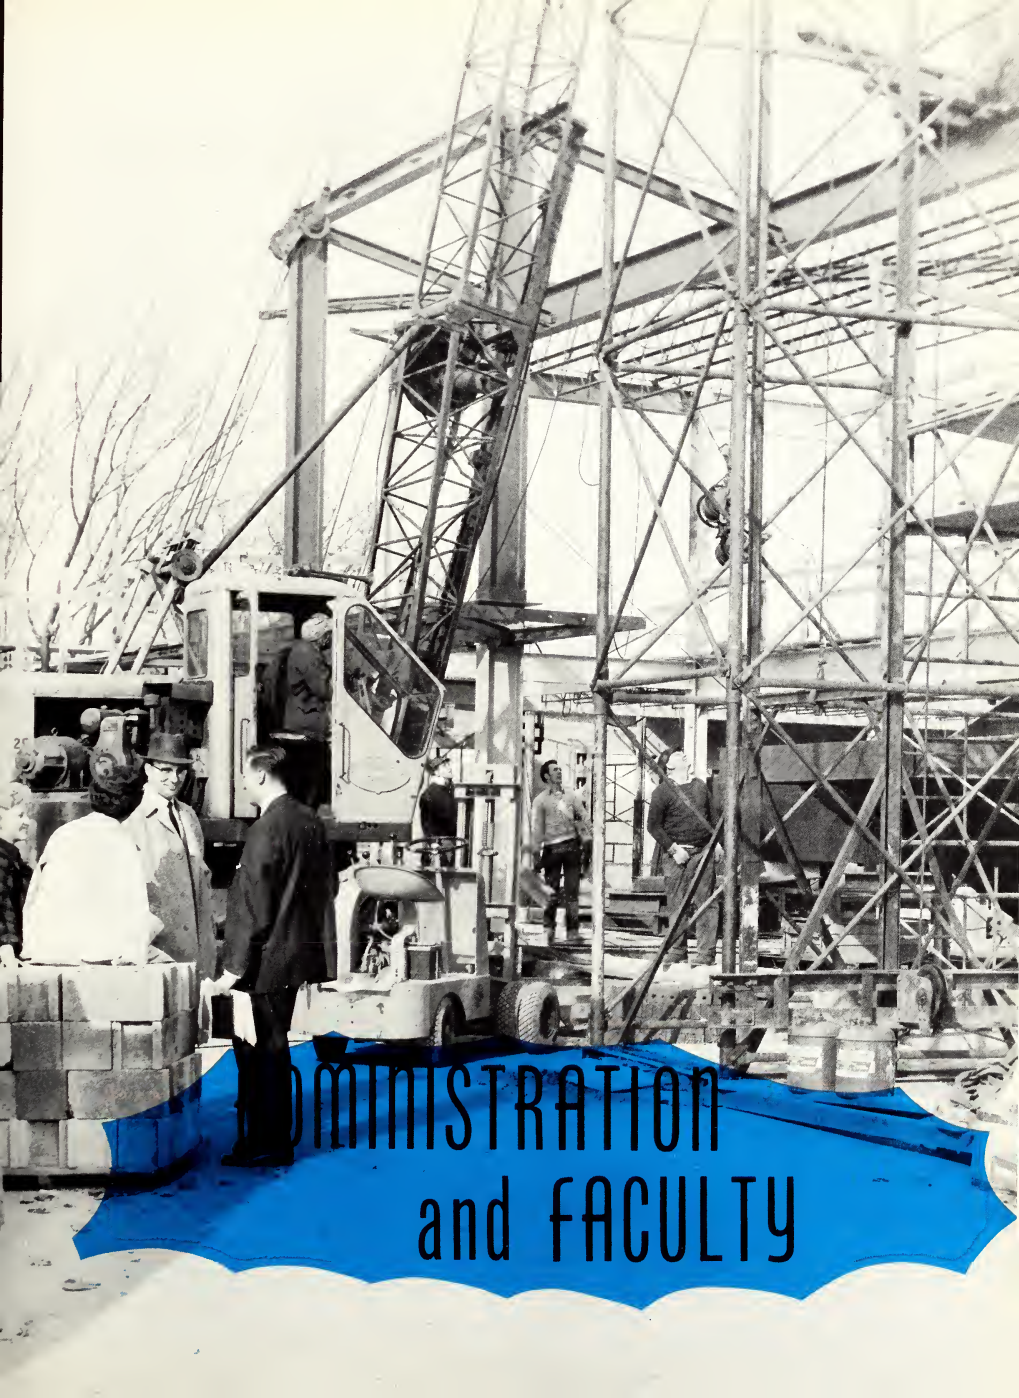

Mrs. Stanhagen's position is one to which she has brought not only secretarial skills, but a lifetime of devotion, loyalty and trust and the highest possible good public relations.

ADMINISTRATION
and FACULTY

Potomac State College grows and expands -- in buildings, in equipment, in faculty, in students -- that it may more effectively serve a dynamic society. We would hope that each person, whether teacher or student, grows in qualities of mind and spirit that he may better serve in these times that demand the maximum from each of us. The Catamount will reflect this campus growth. Do you?

Dr. Ernest E. Church
PRESIDENT

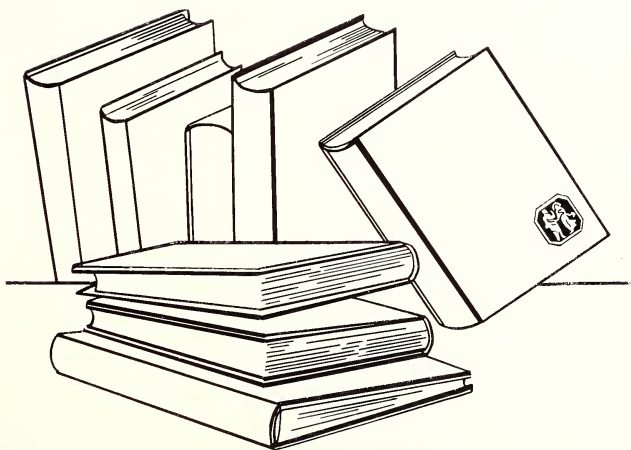

I should like to remind you that you are a citizen of a large world within the world of education. You are one of the 750,000 students enrolled in more than 600 public and private junior colleges in America today. Approximately one in every four students who began a formal degree program in 1960 was enrolled in a junior college. You should feel fortunate that you are a student at Potomac State Junior College in our world within the great world of education. We are indebted to the members of the staff and sponsors of the Catamount which portrays so vividly our membership in this world.

The Student Council of Potomac State College acts as an executive body for the students. Its formation was deemed necessary in order that a closer relationship between the administration and student body could exist. Although the Council's main objectives are of an administrative nature, it also promotes school spirit and fellowship.

Throughout the college year, the Student Council has sponsored many events. During Freshman Week, it assisted in the orientation program for incoming freshmen and later organized the Freshman Class. Rules and regulations for freshmen were made and enforced by Kangaroo Court under the direction of the Council. With the arrival of football season, the Council supervised the selection of cheerleaders held "thuses," and sold Programs for home football games. Two gala campus affairs, the Homecoming Ball and the May Day Ball, were sponsored by the Council. During high school visitations days, the members of the Student Council organized tours of the campus and serve as guides to area high school groups. Upon recommendation of the Athletic Department, the Council presented letters and sweaters to athletes. The Student Council consists of twenty-two members as provided by the 1959 revised constitution.

The CATAMOUNT, Potomac State's college yearbook, completed its twenty-third year of publication, June, 1961. In planning and working on this yearbook, the CATAMOUNT Staff had as its goal to show the college life on Potomac State's campus as it was actually lived and to show it in such a manner that it will always be remembered in the same way. The theme of the CATAMOUNT is "A world within a world" which attempts to portray the life on this campus as a world within the world at large.

THE PASQUINO

Dr. Elizabeth Atwater
Faculty Advisor

The Pasquino, Potomac State's fortnightly newspaper, is staffed by students of the journalism department classes and volunteer workers, who combine their efforts on the editorial, business, and circulation staffs.

Each time the paper is printed, it has a press run of 2,000 copies which are distributed not only to students, faculty and staff on the campus but are mailed to parents of all non-commuting students, to alumni throughout the world, to several hundred high schools and colleges, to several friends of the college, and to numerous places of business.

The staff of the newspaper undertakes annually the publication of the Student-Faculty Directory. Each spring members of the staff enjoy a banquet, at which they have as guest speaker an eminent member of the Fourth Estate.

The Pasquino, now in its 38th consecutive year of publication, is a charter member of the West Virginia Intercollegiate Press Association.

CIRCLE K

The Circle K Club of Potomac State College is a service organization dedicated to this institution and to the community of Keyser. The local Circle K Club was established in 1952 and holds Charter Six in Circle K International. The Keyser, Kiwanis Club is the sponsoring club. Membership of the Circle K Club is composed of college men of high character and good scholastic standing, who feel that to serve is an honor instead of a burden. The objective of Circle K International is to improve relations with college, community, country, and God.

Major projects this year were: sponsoring the annual homecoming parade, operating the second-hand bookstore, establishing the "bick board" for its members, assisted in the organization of the West Virginia District of Circle K International, assisting with Parent's Day, and serving as guides for various campus activities.

"A sport for every woman and every woman in a sport" is the motto of the Women's Athletic Association. It was organized to popularize women's athletics and provide leisure time activities.

The aims of this organization are to develop standards of leadership and sportsmanship and to promote those activities which may be adapted to the leisure time of later school. Intramural games are bowling, volleyball, basketball, pingpong, badminton, and shuffleboard.

The club is open to all girls enrolled in Potomac State. A total of two hundred fifty points entitles a member to an emblem. These points are acquired by participation in tournaments, attending meetings and in other ways. W.A.A. made corsages for the mothers on Parents' Day. This project proved extremely successful.

POTOMAC STATE SINGERS

The Singers of Potomac State College were organized in 1926 to give the students who were interested in singing an opportunity to enjoy group participation in the art.

From a humble beginning the Singers group has grown both in number and reputation to become the active cultural organization on the campus. Potomac State sends this group on annual tours to represent the college at many highschools in the tri-state area.

The highlight of the winter season was the presentation of the "Adoration", a cantata by Nevin which was sung before the Keyser Rotary Club and the college as the Christmas convocation.

The Singers also added special music to the annual "Religious Emphasis Week" program. Climaxing the year with their last performance for the graduating members, the Singers provided the music for the Commencement convocation.

POTOMAC STATE DANCE BAND

The Potomac State College Dance Band consists of a group of musicians on campus who occasionally like to switch to "The Big Sound" in music. The group is under the direction of Mr. Philip J. Faini, the college's band director. In addition to the ordinary music available to dance bands, this group varies its appearances by using special arrangements written by Mr. Faini, and by using vocalists and small combos.

The orchestra has appeared at several school functions, including the Faculty Reception and Parents' Day Convocation in the fall. It also accompanies the Potomac State Singers in presenting concerts at neighboring high schools.

SIGMA PHI OMEGA

Sigma Phi Omega was organized at Potomac State College in 1923 for a two-fold purpose--to promote scholarship and foster citizenship. It has always been a local fraternity, with its own constitution, ritual and traditions.

Sigma Phi Omega sponsors the two annual convocations that honor Potomac State College organizations. Last October at the Know Your Organizations convocations, Sigma Phi Omega gave to the freshmen pertinent information about the origin, objectives, and present activities of campus societies. In the spring it will present the annual Recognition Day convocation, where honor is bestowed for achievement and leadership. Sigma Phi Omega also makes other contributions to campus life. It assists at the Faculty-Student Reception, sells school decals and other devices to promote school spirit, and has an informal party each spring. New members are honored guests at the annual formal banquet attended by faculty and actives.

Members of Sigma Phi Omega recognize both the honor and the responsibility which membership entails, and they strive to maintain high standards of scholarship, to participate in student activities, and to co-operate with the college at all times.

ETA UPSILON GAMMA

Eta Upsilon Gamma, founded at Christian College, Columbia, Missouri, in 1901, is the oldest national junior college sorority in the National College Panhellenic. The aims of Eta Upsilon Gamma are to stimulate school spirit, to promote scholarship and achievement, and to enrich and broaden friendship.

The sorority started out the year with the rush party held at the home of Becky Bess at Deep Creek Lake, featuring a weiner roast. In November the annual Harvest Swing was co-sponsored by the Gammas and their brother fraternity, Theta Sigma Chi. The Cumberland YMCA was the scene of a mid-winter swim as the sorority enjoyed a splash party. In December the Gammas were the guests of the Thetas at a Christmas party held at Mr. Dayton's home.

A card party in March proved a big success, as towns-people from Keyser mingled with Potomac State students around the card table. The proceeds from this project were used for a service project.

The climax of the year was the picnic with the Thetas, and the annual Theta-Gamma banquet held in honor of the departing sophomores.

Honors bestowed upon Eta Upsilon Gamma members during the year include: Sandra Dixon, Patricia Mathias, and Linda Pearson served as ROTC sponsors; Sandra Dixon, Janet Pisarchik and Patricia Powers were cheerleaders; Joan Jamison reigned Queen of the Harvest Swing; and Linda Pearson was chosen as Apple Blossom Princess.

The sponsors and members of Eta Upsilon Gammas were pleasantly surprised this past year when the sorority was awarded, at the national conclave at Columbus, Ohio, a gold cup in recognition for the best examination prepared to give pledges. Miss Joy Elaine Suter, in attendance, accepted the award as the official member for the sorority.

The Theta Sigma Chi Fraternity was founded on the campus of Potomac State College in 1922. The fraternity promotes character, fellowship, scholarship, school spirit, and co-operation.

Theta Sigma Chi participated in many college sponsored events, winning an award for the most original float in the Homecoming parade and sponsoring the Harvest Swing in co-operation with their sister sorority, and conducted the election of Miss Catamount during Homecoming weekend.

The organization proudly points to the accomplishments of their men. Brother Michael Montgomery served as president of the Sigma Phi Omega and Potomac State Players. Lynn Workmeister as president of the Potomac State Singers.

Ruth Williams was elected President of Panhellenic for second semester, 1961. A member of the Homecoming court was Jackie Kendall. She is also an ROTC Sponsor and President of the Home Economics Club. Connie Mustoe served on the cheering squad, and Nancy Pyles is President of the 4-H Older Youth, which

Phi Kappa Omega Fraternity, which was organized on the Potomac State College campus in 1949, works constantly to promote high scholastic standings, sound moral character, and a fraternal spirit among the members.

The men of Phi Kappa Omega proudly point to their 1960-1961 achievements. Brother Peter Peck served as Vice-President of the Sophomore Class. Willard Phillips reigned as the President of Panhellenic Council. The Kappa float, entered in the homecoming parade, won an honorable prize.

In co-operation with the sister sorority, Kappa Delta Psi, the annual Kappa Easter Ball once again obtained the spotlight on the campus. Through the college year, the Fraternity held an informal dance at St. Mary's Hall along with several other informal social events. The year was climaxed with the annual spring picnic and banquet.

The fraternity bonds established in the Phi Kappa Omega Fraternity will long be remembered.

Epsilon Chapter of Sigma Iota Chi is the oldest sorority on the campus of Potomac State College. Sigma was founded in 1903 at the University of the South at Swannee, Tennessee, by Greer A. Duncan. It has become the largest junior college sorority in the United States. Carrying on the spirit and ideals of the first chapter, the group stresses the importance of scholastic achievement and fellowship. Worthy Matron, Margaret Judy, attended the Sigma Iota Chi National Convention held at the Hotel Ambassador in St. Louis, Missouri, last summer. Using the theme "Miss Potomac State Pageant," Sigmas welcomed the freshmen women to their rush party at the homes of Mrs. Ray Coffman and Mrs. Thad Huffman. At that time thirty-four new pledges were received into the sisterhood. The Potomac State Homecoming Queen, Margaret Judy, was one of the ROTC Sponsors. Chosen to reign as their Queen of Winter at the Christmas Dance by the Phi Sigma Nu fraternity was Laura Tibbetts. Miss Tibbetts also represented Potomac State in the Tri-County Junior Fair. At the annual Sigma Sweetheart Ball in February Linda Jones was selected to reign as Sigma Sweetheart. Linda Lenz and Carol Hepner were Potomac State Cheerleaders and Winnie Teets was president of the Women's Resident Association. During the year Sigma girls had several parties and square dances with their brother fraternity. Cookies and popcorn were taken to children in the Potomac Valley Hospital and a large box of canned foods was sent to a needy family at Christmas.

Phi Sigma Nu, founded in 1922, has been an outstanding social group on the campus of Potomac State College. The fraternity was granted a National Charter by the National College Panhellenic and has been designated Beta Chapter.

The fraternity began its year with a successful pledge party during the fall "Rush Week," which netted them several members. In the autumn activities the fraternity sponsored the winning candidate for Miss Homecoming. The annual "Christmas Ball," which is sponsored by Phi Sigma Nu, is the biggest project undertaken by the fraternity, and this year's dance was an outstanding affair. Ronald Hoover reigned as "King of Winter" at the Ball. In February, Richard Smith was chosen to reign as King at the Sigma sponsored "Sweetheart Ball."

Phi Sigma Nu has sponsored several social get-togethers with its sister sorority, Sigma Iota Chi, the most popular of these being frequent square dances, with Sponsor James T. Handlan acting as caller. Phi Sigma Nu participates in all organized campus activities. Many diverse programs have been presented by and for the members. The Fraternity prides itself in having many of its members holding responsible positions as officers and leaders in campus organizations.

The Phi Sigma Nu Fraternity demands college spirit, interest in all college activities, high moral standards, individual development of character and leadership, and scholastic achievement from all its members.

Men who are now away from the college but often return to visit their old fraternity are indications of the fact that the bonds of friendship established in Phi Sigma Nu provide lasting memories in future years.

DELTA PSI OMEGA

OFFICERS

President	Albert Rockenstein
Vice-President	Betty Bowers
Secretary-Treasurer	Joy Elaine Suter

Mr. Jasper Morris
Sponsor

Delta Psi Omega is the largest honor society in dramatics for Junior colleges. This fraternity is an international drama honorary one for students in Junior colleges. Membership in the fraternity is a reward for excellent ability and participation in various phases of dramatic arts. Furthermore, membership in Delta Psi Omega makes one eligible for membership in Alpha Psi Omega, on the four year college level. The objectives of the society are to promote the dramatic arts on the campus and to aid dramatics clubs such as the Potomac State Players. The Potomac State cast, number 110, was instituted in 1954.

Students are selected for membership on a point basis. One hundred points must be accumulated by work in some phase of dramatics before the individual may be considered for membership. Election to the society, however, is not automatic; candidates must satisfy both national and local requirements for election.

Delta Psi Omega does not exist as a replacement for dramatic clubs, but is rather a fraternity to give recognition to members of such organizations who excel in this field.

POTOMAC STATE PLAYERS

The Potomac State Players, organized in 1919, is the oldest cultural organization on campus. The Players Club provides training in every phase of dramatics from acting to behind-the-scenes work such as set decoration and make-up. Membership in Delta Psi Omega, an honor society for dramatics, is awarded each year to members who have done outstanding work or have made valuable contributions to the organization.

POTOMAC STATE CATAMOUNTS FOOTBALL

Coach Dana Lough

The Catamounts, under the expert direction of Dana G. "Horse" Lough, ended their 1960 football season with a 5-4 slate, even though the Cats lost the first three contests of the campaign.

The Bainbridge Naval Academy whipped the Loughmen at their own game in the season lidlifter, played on a sloppy Stayman Field, by a decisive 28-12 margin. Hank Cleary, State quarterback was caught in the end-zone early in the first period for the first Napster score, thus giving the Middies a 2-0 edge. Potomac scored on two pass plays, but only led Bainbridge once late in the first stanza by a 6-2 score.

Defeat was handed to the Cats again the following weekend, when the Pioneers of Glenville College downed them 20-13. Glenville scored twice on passes and once on the ground to chalk up the WVIAC victory.

The Potomac aggregation suffered defeat at the hands of Salem College under the lights of the West Union Stadium, 19-2. Despite the loss, State's defense led by Hank and Larry Itri and Carl Gentile turned in an outstanding performance.

The all time rivals of Potomac State, Shepherd College, foiled the 1960 Homecoming procedures by handing the Cats a 7-0 heart-breaking loss. During the latter part of the season, it was disclosed that the Ram defensive contained an ineligible player and the contest was forfeited to Potomac.

The win column was at last dented when the Cats took Davis & Elkins to the woodshed for a 23-0 blanking. This was the first of three consecutive victories for the Loughmen as they went on to defeat Montgomery, and Wesley in as many contests. Robert Farr, Hank Cleary, Hank Itri, and Bill Kennedy were standouts for the Cats on both defense and offense during the shortlived winning streak.

Concord College foiled the continuation of the State winning siege as they overpowered the Blue and Gold in the next contest 14-7. The Catamounts fought back aggressively in the next contest by winning the season windup from Baltimore 20-7.

BASKETBALL-1960-1961

The 1960-61 Catamount Basketball squad, again the Tri-State Junior College Champions compiled a regular season record of 16-9, and held a 9-1 slate going into the Tri-State Tournaments held here February 24-25. The Cats, under the tutorship of Coach Dana G. "Horse" Lough, cinched the Tri-State title after eliminating Catonsville 79-69 in the first round, dropping Montgomery 79-59 in the second stanza, and whipping Shenandoah 107-79 during the final contest. The victory gave Potomac State a berth at the Region XV Finals held in Binghampton, New York.

The Catamounts dropped the first two games of the season to Fairmont and Salem, 85-56 and 103-62 respectively. Although the charges of Coach Lough went into the contests with only three defeats in their last thirty games, the opponents, playing in front of home crowds, jumped off to early leads that were never headed throughout the contests.

Frostburg State was the first victim of the Cats as they fell to the locals, led by John Allen and Mike Checkan who bombed in 21 and 20 points respectively, to spark the 71-58 victory.

Two defeats, by the WVU Frosh and Davis and Elkins, followed before the Cats hit the win column by downing seven straight foes to give the Loughmen an impressive 8-5 early season record. The teams falling to the Blue and Gold during this sudden surge of victories were: Hagerstown and St. Mary's Colleges twice, Altoona, Shepherd and Prince Georges' College. Montgomery and Fairmont State foiled the long winning streak by handing the Cats two consecutive losses in Tri-State losses in Tri-State and WVIAC competition.

Due to adverse weather conditions, the contests between Potomac and West Liberty, Wheeling, and Altoona Colleges were postponed and were not re-scheduled.

The Cats swept the series with Johnstown College, whipping the Pennsylvanians 82-77 on their floor and ending the regular season against them dealing out and 83-68 deluge.

The contest that will always be remembered on the PSC campus was the return match with the WVU Freshmen. Stan Shingleton led the Cats throughout the game with 19 tallies and did everything but stand on his head to stop the lofty Frosh who ended up edging the Cats 70-69.

The Cats ended their regular season by whipping Frostburg in a return match 87-81, losing to Shepherd 78-71, and taking three out of four on a long road trip, falling only to Bainbridge Prep while adding Wesley, Baltimore, and Catonsville to the victory sheet.
